MULTIDISCIPLINARY NATIONAL CONFERENCE

He reinforced the former idea by quoting the references from Quran (the holy book of Muslims) that demand humans to think, to observe and to analyze. Furthermore, he discussed that knowledge is limitless and we are living in the era of technology, therefore the purpose of arranging multidisciplinary conference was to merge the boundaries of knowledge vis-à-vis distinct fields of education.

Prof. Dr Fazal Ahmad Khalid in his keynote address accentuated the fact that in this era of technology the required holistic education system; knowledge, skills, values and gratitude, can be the sole strategy to lead towards growth and progress. He also stated that no institution can rise without vision and mission. Lastly, he announced that Punjab Higher Education Commission (PHEC) is planning training programs for faculty and students to achieve phenomenal learning outcomes.

MULTIDISCIPLINARY NATIONAL CONFERENCE

Mr. Muhammad Muavia Azam in his address emphasized on the quality of education by stating that our pupils graduate to earn, not to invent or discover which is a major hindrance in the course of development. He added that apart from illiteracy, Pakistan is facing a stereotypical ideological challenge of choosing between science, technology, and religion.

Col. (R) Ghazanfar Abbas Shah appreciated the authorities, staff, and faculty members of the University of Jhang for arranging a plausible event successfully. Later on, he paid homage to the esteemed Vice-Chancellor University of Jhang, Prof. Dr. Shahid Munir, for his struggles and attempts to raise this institution.

MULTIDISCIPLINARY NATIONAL CONFERENCE

Prof. Dr Suleman Tahir initiated the discussion by emphasizing that globalization is not possible without education, research and training. He included that the research of an M.Phil. scholar must aim to add to the development of the country and the requirement of the hour is to motivate the students to have potential of devising progressive innovations. He concluded that the universities fail to provide quality of education due to least resources provision which hampers our country's passage to be an eminent part of global education system.

Prof. Dr Talat Naseer Pasha enunciated that economic development diminishes maximum predicaments. In this regard, he suggested that we should skillfully utilize the strength of our country (agriculture) with the assistance of science and technology to resolve the massive issues and to excel in the sphere of progress.

Prof. Dr. Naeem Khan elaborated that the promotion of skillful education parallel to theoretical education has become an essential demand to minimize the production of jobless people by universities. Furthermore, he emphasized that practical and ingenious experiments in the field of agriculture and industry can minimize unemployment and can escalate the development.

Prof. Dr. Zia-ul-Qayyum voiced his opinion with the proposition of a factual interrogation that how can we expect miracles from universities without spending our economy, energy, and strength on education and institutions. He explained that our universities have done wonders in limited resources but expecting more without spending is useless.

تاریخی مقام ہیڈ تریموں کا دورہ

تاریخی مقامات کو مسما اور روپوش ہونے سے بچانا کسی بھی ملک کے لئے ضروری ہے کیونکہ کہا جاتا ہے کسی بھی قوم کا مستقبل اس کی تاریخ سے ہی وابستہ ہوتا ہے۔ تاریخ اور تاریخی مقامات کی شناخت کو برقرار رکھنے کی غرض سے نئی نسل کو اس کی اہمیت سے آگاہ کروا کر تعلیمی ادارے سیاحوں کے فرائض بھی سرانجام دیتے رہے ہیں۔ پاکستان ان تاریخی مقامات اور قدرتی ذخائر کی دولت سے مالا مال ہے ضرورت صرف اس امر کی ہے اس کی افادیت کے پہلوؤں کو تلاش کر کے اسے دنیا کے سامنے رکھا جائے۔ اسی امر کے پیش نظر یونیورسٹی آف جھنگ کے وائس چانسلر پروفیسر ڈاکٹر شہد منیر نے اپنی نوجوان فیکلٹی سے گاہے بگاہے جھنگ کی تاریخ مقامات کا تذکرہ جاری رکھا اور تاریخی مقامات کا دورہ کرنے پر اکسایا۔ ان کی ہدایات پر عمل کرتے ہوئے ہیڈ تریموں کے تاریخی مقام جو کہ آبپاشی کے نقطہ نظر سے اہمیت کا حامل ہونے کے علاوہ اپنی دل فریب اور لذیذ مچھلی کے لئے مشہور ہے کہ کا دورہ کیا گیا جس میں تمام ڈپارٹمنٹ کے فیکلٹی ممبران نے شرکت کی۔

وائس چانسلر کی سربراہی میں فیکلٹی حضرات نے کشتی رانی کی اور ہیڈ تریموں کا جغرافیائی جائزہ لیا۔

اس دوران وائس چانسلر نے اپنے سائنسی علم کے دروازے کھولے اور "کائی" جسے انگریزی میں فلگس کہا جاتا ہے کہ سائنسی استعمال اور مفادات سے آگاہ کیا انہوں نے فیکلٹی کو بتایا کہ پاکستان ایسی بے شمار دولت سے مالا مال ہے جس کی اہمیت اور افادیت کی آگاہی نا ہونے کی وجہ سے ہم انہیں ضائع کر رہے ہیں اور ترقی یافتہ ممالک انہیں حاصل کرنے کی تگ و دو میں ہیں اس علم سے بھرپور گفتگو کے بعد دسترخوان سجا گیا جہاں تمام فیکلٹی ممبران کے ہمراہ ہیڈ تریموں کی مچھلی تناول کی گئی۔

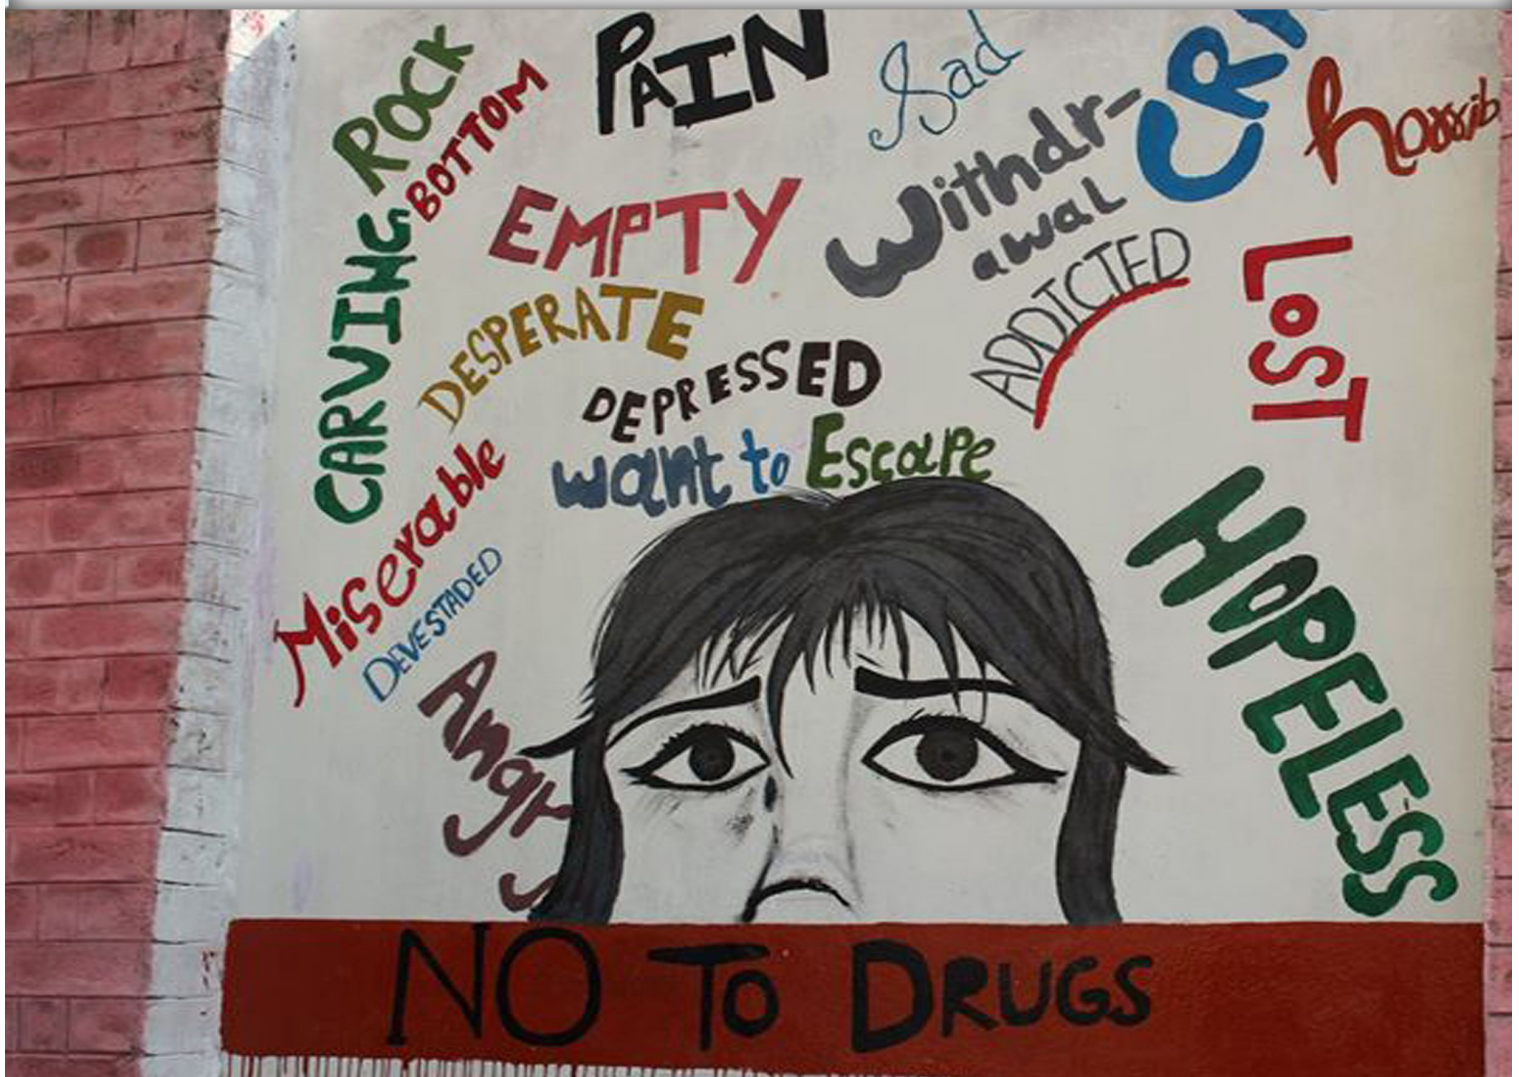

یوم یکجہتی کشمیر پر سیمینار کا انعقاد

قلم دان اور قلم سے تعلق رکھنے والوں کا کسی بھی زمانے کو سنوارنے، ظلم و ستم کے خلاف پُر امن جنگ کرنے اور انصاف کو معاشرے میں عام کرنے میں بڑا نمایاں کردار رہا ہے اسی روایت کو برقرار رکھتے ہوئے یونیورسٹی آف جھنگ نے اپنے پہلے اکاڈمی سال 2020 میں ہی اپنے فرائض کو نبھاتے ہوئے دنیا میں ہونے والے مظالم کے خلاف بھرپور آواز اٹھانے اور معاشرے میں اس جبر و ستم کے خلاف آگاہی پیدا کرنے کی مہم کا آغاز کیا۔ 6 فروری 2020 بروز جمعرات یونیورسٹی آف جھنگ کے زیرِ سایہ "یوم یکجہتی کشمیر" پر سیمینار کا انعقاد کیا گیا جس میں نہ صرف جھنگ کے تمام گورنمنٹ بلکہ پرائیویٹ تعلیمی اداروں کے سربراہان، اُساتذہ اور مختلف شعبہ ہائے زندگی سے تعلق رکھنے والے حضرات نے شرکت کی۔
