VICE CHANCELLOR'S MESSAGE

I am extremely glad to be presenting you and all stakeholders of the University of Jhang with the fifth edition of the university's quarterly newsletter. The time and situation has been very gruesome because of COVID-19, which makes the need to bring the educational community even closer to fight these challenging times.

Over the past three months, university of Jhang has expanded its horizons even further by seeking an NOC to launch five Mphil/MS Program in four disciplines of University which will not only serve to heighten the academic and research standards but will also provide an excellent opportunity of professional education within the city of Jhang. Another marvelous feat for the university has been the recognition of University's journal 'Pakistan Journal of Multidisciplinary Research' by Higher Education Commission, Pakistan and I congratulate the faculty members who dedicated their efforts in realizing this dream into a reality.

University of Jhang also organized a number of community-academia linking seminars by inviting various community members and stakeholders to take their input and bridge the gap between academia and community. Seminars like 'Drug Free Pakistan', 'Harmony and National Integration' and 'Role of Higher Education in Economic Development' have been organized by the event management committee to create more linkages between university and community members. Independence Day celebration was another highlight of the quarter, where national songs competition was held, illustrations and other competitions enhanced the spirit of nationalism and revived the purpose of an independent homeland. Monsoon Plantation at the University of Jhang was an important drive, as it is the need of the hour to be sensitive and accountable to the environmental challenges.

Academic and administrative activities kept on with their steady pace as the Department of Islamic studies conducted their first board of studies meeting. The Department of Fine Arts arranged a textile degree show which showed the hard work of teachers and passion of students. The 12th meeting of the Syndicate was conducted and many important decisions were taken in the best interest of the University of Jhang. Co-Curricular activities are very important for mental and physical wellbeing of learners and in this regard competitions including debates, essay writing and general knowledge quizzes were organized to add another dimension into the academic life of students. Final term examinations of all academic sessions were conducted physically during July-August and we all hope that students performed their best to earn their rewards in the form of skills learned and knowledge acquired.

Faculty is the backbone of any university and cultivation of a communal spirit is very important to keep university atmosphere pleasant and conducive toward

teaching-learning. A welcome dinner was arranged for the new faculty members of university of jhang and a Farewell lunch was arranged to bid Farewell to the faculty members joining LCUW, Lahore.

VC CORNER

Prof. Dr. Shahid Munir

A fruitful meeting with the Honorable Chancellor, Ch. Sarwar was attended by Prof. Dr. Shahid Munir at Governor House on September 27, 2021. Mr. Chancellor was updated about the progress and milestones achieved by the University of Jhang in a short span of time. He was also told about the academic progress of UOJ that twenty undergraduate and five postgraduate programs are going to be offered in fall 2021.

Prof. Dr. Shahid Munir as a genuine intellectual always strives for productive and progressive milieu: the environment ameliorates negativity and initiates for positive things. Instead of such a busy schedule, he sought time to sit with other intellectuals of Pakistan. A lunch with Vice Chancellors of universities of Punjab was arranged at Four Points Sheraton Lahore on August 21, 2021: the lunch was hosted by Prof. Dr. Aamir Ijaz. Prof. Dr. Shahid Munir attended the lunch; among some other attendees were Prof. Dr. Fazal Ahmed Khalid (Chairman PHEC), Prof. Dr. Robina Farooq (VC GCWUF), Prof. Dr. Muhammad Suleman Tahir (VC KFUEIT), Prof. Dr. Muhammad Ali (VC Quaid-e-Azam University), Prof. Dr. Talat Naseer Pasha (VC Education University) and Prof. Dr. Zia-ul-Qayyum (VC Allama Iqbal Open University).

Jhang is dominating all the spheres of life due to its rich cultural heritage but unfortunately, there has always been a scarcity of national level and developed educational institutions as compared to other cities of Pakistan. Due to fundamentalism of its inhabitants, University of Jhang had to face resistance during its establishment. Prof. Dr. Shahid Munir as a visionary leader knows how to convey the message and win the hearts. His doors are always open for every inhabitant of Jhang. Dr. Shahid Munir was invited as Chief Guest at the Convocation Ceremony organized at Cadet College Jhang. He appreciated the administration's hard efforts and gave valuable insight to enrich academia in Jhang.
